I was discriminated against based on my age and race when the postmaster wrote negative comments concerning my work performance, attendance, reliability etc. and sent it to The Injury Compensation Specialist via email. I am also being retaliated against for filing this complaint. I have requested information and have been denied it. I am followed around by the Postmaster, where my co-worker Mark Nelson(white male) isn't. There was also a caricature from the postmaster's desk that was enlarged and placed on my work cart addressing "doing some actual work".
